VALESKA HALAMICEK

EDUCATION

University of Missouri *Graduated: May 2018*
B.A. Psychology, Minor Business Administation
Certification Multicultual Studies

TECHNICAL EDUCATION

LaunchCode – LC101 Certification
July 2018 - Present
• A Course designed to prepare students for a career in technology
• Taught in several coding languages such as Python, CSS, HTML, & C#
• Students learn other relevant technological skills such as SQL, MVC Flask, Git, & more

TECHNICAL EXPERIENCE

Projects
Restaurant App – http://github.com/valeskah/RestaurantApp
• Creating an application which will allow users to create lists which would have restaurants a user would like to try
• Users will also be able to create and assign categories to restaurants and view lists based off such categories
• Like a to-do list, users can mark restaurants as completed and to follow, rate restaurants as either "good" or "bad"
• Users will be able to view their completed and rated lists and in essence, view the restaurants they would (or wouldn't) go back to
• C#, Entity Framework, Bootstrap, HTML, CSS

OTHER EXPERIENCE

Lululemon – Educator
October 2018 – Present • Frontenac, MO
• Inform guests of product, culture, and community
• Communicate product uses and features
• Foster respect as well as others by encouraging health and wellness
• Ensure community awareness and involvement

Augusta Brew Haus – Server
June 2017 – August 2017 • Augusta MO
• Insured quality and friendly service to customers by adhering to company expectation of excellence
• Manages closing duties such as reconciling transactions and distributing gratuities
